

OUTPUT

The image displays two sequential screenshots of a web browser window showing a "Budget App" interface. The browser's address bar indicates the URL "127.0.0.1:5500/index.html".

Top Screenshot:

- The app title is "Budget App".
- The main interface has three columns: "Budget", "Expenses", and "Balance".
- The "Budget" and "Balance" sections both display "\$ 0".
- A modal window titled "Budget Form" is open, featuring a sub-header "Make A Budget" and an empty input field.
- A green "Add Budget" button is located below the input field.
- A blue circular button with a white "+" sign is positioned in the bottom right corner of the app area.

Bottom Screenshot:

- The app title remains "Budget App".
- The "Budget" and "Balance" sections still display "\$ 0".
- The "Budget Form" modal is open, and the input field under "Make A Budget" now contains the text "50000".
- The green "Add Budget" button remains visible below the input field.
- The blue circular button with a white "+" sign is still present in the bottom right corner.
